Congratulations!

The Factory was successfully commissioned on Friday 18th May 2007 by the Governor of Nasarawa State Government. I will send you some pictures later.

Hope Nicolo and Francesco have arrived back to Italy safely?

The next important stage for us now is the running of the Factory. We will need to engage an experienced butcher who's familiar with Cogemat's system of Slaughtering and Deboning. He will also be responsible for running the Factory. Can you assist us to find one? Kindly recommend one.

Best regards,  
Louis Hammond
